## QUALITY POLICY

Gartner Rose provides Project Management, Construction Management, Design and Construct lump sum work and cost planning facilities for multi million dollar projects.

Gartner Rose is fully committed to quality and has an effective quality assurance system which is fully integrated into our business practices. This system is based on AS/NZS ISO 9001:2000 which has been designed to ensure that customer requirements are understood by all employees as well as sub-contractor employees involved, and that these requirements are met on every occasion.

The objective of this Policy is to provide our clients with effective service delivery through procedures and business systems both of which are contributing factors to our continuous improvement in meeting and exceeding our client's needs. Proper adherence to this Policy is required of all employees.

The management and staff of Gartner Rose are well aware of their responsibilities and commitment to our quality assurance objectives. We are also aware that the Quality Management System we have developed and implemented is for the purpose of continuous improvement and enhanced competitiveness within the industry.
